Study Skills: True or False?

- _____ It doesn't matter whether you attend classes when professors allow you to cut and you keep up on your assignments.
- _____ You really can't be expected to pay attention in class when the professor is a bore.
- _____ You really can't be expected to pay attention in class when you have to study for a test in another course.
- _____ Students are evaluated only on the basis of test performance, not the amount of effort they put into their courses.
- _____ The best way to learn subject matter is to go over it again, again, and again.
- _____ Your job as a student is to sit back and try to absorb the information dispensed by your instructors and textbooks.
- _____ You should postpone all pleasures until the term draws to an end.
