

Interview a Professor

DIRECTIONS: The purpose of this exercise is to give you an opportunity to meet one of your professors. I suggest that you choose a professor in whose class you may be having difficulty. Explain to the professor that you need 10-15 minutes of his or her time to complete an assignment for UNV 101 and make an appointment. Meet with the professor and verbally ask the questions below. The answers will be reported back to the class. Take the opportunity to ask questions about the course.
