Mercer Move-in Day!

AUGUST 2009

Welcome new Mercerians!

Go Bears! As you know, the summer is winding down and the start of the fall semester is quickly approaching. The Mercer community is eagerly awaiting your arrival on campus, and we hope that Move-In Day on Saturday, August 22, will be an exciting time for you and your family!

Your packet of information contains directions to campus, a campus map, and color-coded parking passes for you and your family. The campus map will help you find your way around campus as well as help you find the most convenient unloading area once you have arrived. Members of the Mercer community will also be on campus, ready to help direct you.

When you arrive at your residence hall, The Mercer Movers will be waiting for you! Please review the move-in instructions in the left-hand column for more information and also check out the Mercer Orientation Website, Facebook, and Twitter (see below for contact information).

After moving-in, please join us for *Dessert with the President!* This exciting event includes live music, cool refreshments, dessert, engaging activities, and a free gift! Afterward, we will have a welcome ceremony in the University Center Arena where President Underwood and other speakers will welcome you to Mercer, teach you various Mercer University traditions, and provide you with important information.

We look forward to seeing you on Saturday, August 22! Should you have any questions, please feel free to contact us!

Sincerely,

Ted Goshorn
Coordinator of New Student Programs
